LIFE, A QUESTION

Life? and worth living?
Yes, with each part of us —
Hurt of us, help of us,
hope of us, heart of us,
Life is worth living.
Ah! with the whole of us,
Will of us, brain of us,
senses and soul of us.
Is life worth living?
Aye, with the best of us,
Heights of us, depths of us —
Life is the test of us!

To our Reader,

We hope you enjoy your 1981-82 Johnston Technical College Annual. A lot of time and effort was spent creating memories for the years to come. Many thanks are to our advisor, my yearbook staff, the typists and photographers, layout personel and to the many others who did their part to help us meet the deadlines. A special thanks to Joyce Clark for designing your yearbook cover. And thanks for all your smiling faces, without which, this book would not be possible. Congratulations, Class of 81-82!
